Information About Cookies

A cookie is a small file of letters and numbers that our website places on your computer. These cookies allow us to distinguish you from other users of our website, which helps us to provide you with a good experience when you browse this website and also allows us to improve our site. Some of the cookies we use are "analytics" cookies. They allow us to recognise and count the number of visitors and to see how visitors move around the website when they are using it. This helps us to improve the way our website works, for example by ensuring that users are finding what they are looking for easily.
